A sufficient number of the research staff have a recognized academic degree corresponding to Estonian legislative acts.	Positive	

Doctoral dissertations have been successfully supervised in the last five years.	Negative	Current members of staff are in the processes of submitting or defending their theses
Research staff in the field being evaluated have received sufficient national or international honours and/or awards.	Positive	
Research staff have published per researcher in the last 5 years a sufficient number of articles in international journals or peer-reviewed research monographs taking into account the particularities of the field of research being evaluated.	Positive	There are few publications under 1.1 but they are published in high-profile international journals.
Research staff have filed applications for patents or for plant variety rights certificates in the name of the institution in the last 5 years.	Positive	
Experts' summary assessment	Positive	
<b>Subcriteria for evaluation</b>	<b>Evaluation</b>	<b>Comments</b>
Final assessment	Positive	There is good strategic and visionary leadership -- both for the institution as a whole and in the area of research. We encourage the setting up of an international advisory board especially with respect to the current intellectual and physical development at the National Estonian Museum in order for it to formulate the future research programme in connection with the other relevant ongoing activities.
