

Horizon 2020 first year distribution of participation, coordinators and EC contribution

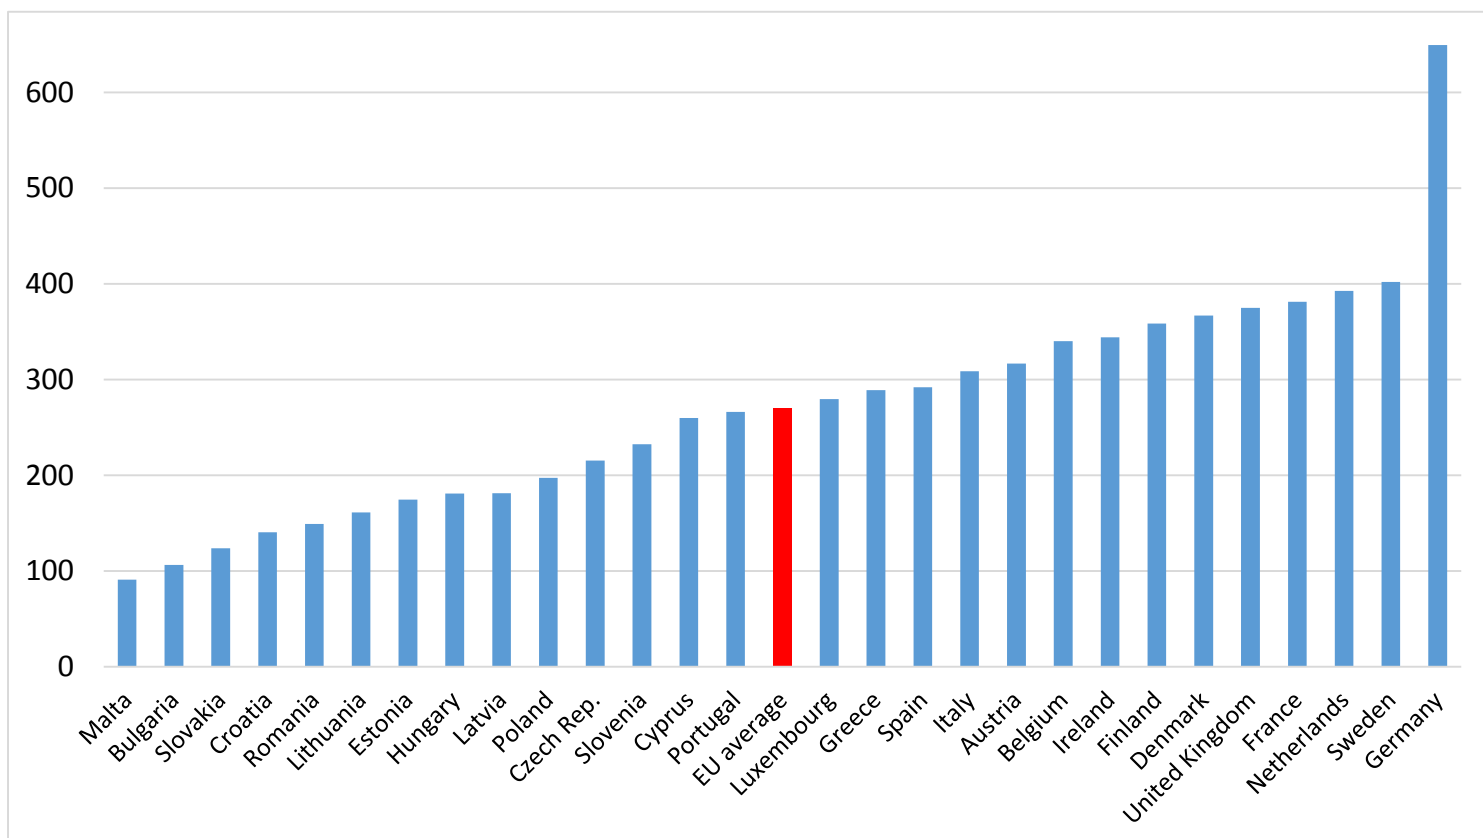

Note: Charts 1-3 are based on the published CORDIS dataset on the EU Open Data Portal (signed grant agreements until 25.03.2015), and Chart 4 is based on aggregated data from the E-CORDA database (retained proposals until 05.03.2015).

1. Share of participants and EC contribution in groups of countries*, %

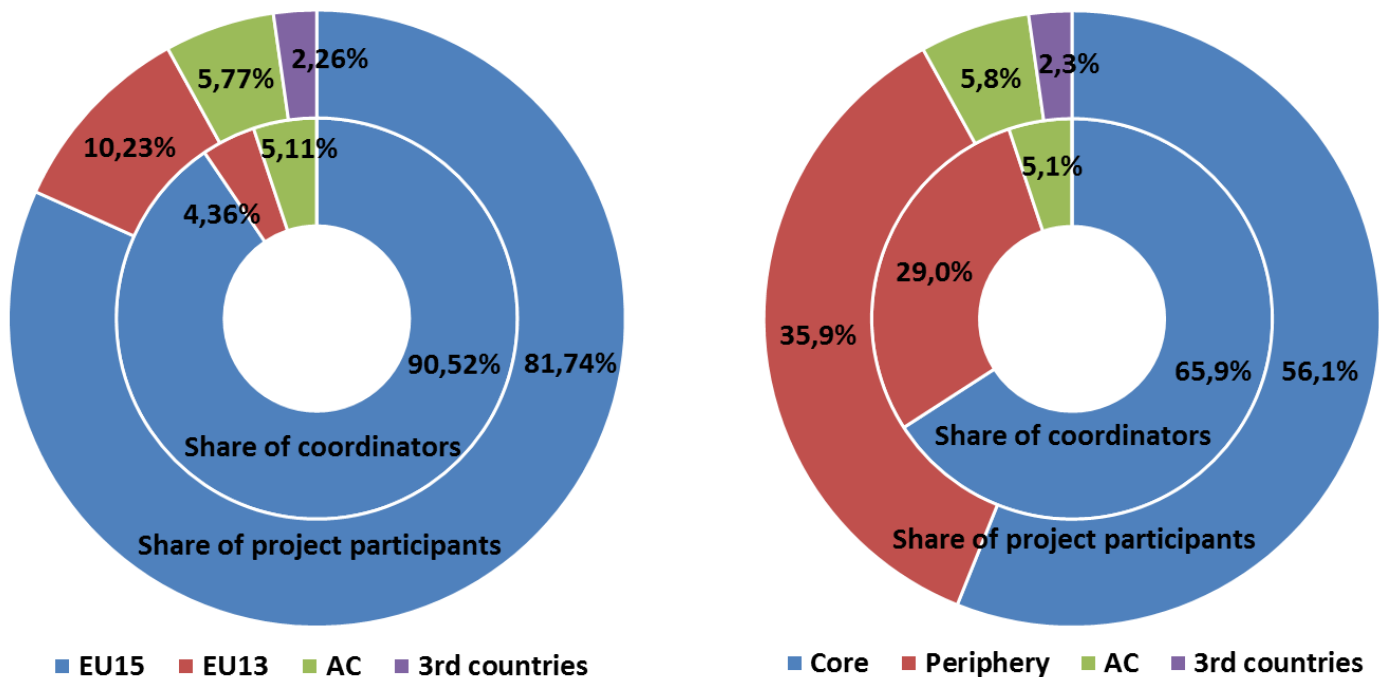

* For the purpose of this paper, Core and Periphery countries in the EU Member States are defined according to their GDP per capita in 2012, with Core members' GDP above EU-27 average, and Periphery members' GDP below the EU-27 average in 2012.
 Core: AT, BE, DK, DE, FI, FR, IE, LU, NL, SE, UK; Periphery: BG, HR, CY, CZ, EE, EL, ES, HU, IT, LV, LT, MT, PL, PT, RO, SI, SK

2. Average size of EC contribution per participant, thousand euros

3. Share of coordinators and project participants in groups of countries*, %

4. Share of participations and coordinators in retained proposals, %
