Justification

Please use 'Save' frequently to save changes to your application and prevent data loss. If you keep the form idle too long the system can time out and you may lose any data that were unsaved. You can also prepare longer text segments in a separate text file (e.g. in Word or OpenOffice) and then simply copy the text into the designated field. The Top Researcher Grant project justification is mandatory. The list of references, pictures and schemes shall be added as separate files at the end of the form. The total length of the justification across all sections is up to 15 000 characters with spaces.

The maximum length across all sections is 15 000 characters. Unused characters: 15000

The general theoretical background to the planned Top Researcher Grant project and it's link to the research carried out by the Top Researcher

A description of previous most important R&D activities and the most important aspects of the track record of the Top Researcher

The main objectives of the Top Researcher Grant project, hypotheses, description of methods, the research plans and Schedule, including plans of creating a research group, supervising students and teaching

Expected results and their potential applicability, as well as possible future research directions

The list of references, charts and schemes cited or referred to this Justification

Information on considerations how ethical issues involved in the proposed research will be followed

The Top Researcher is required to consider the ethical risk of any procedure within a research project which involves human participation or personal data, including a description of how the principles of voluntary participation, informed consent, confidentiality and anonymity of subjects will be followed, and a statement on how the data will be stored and protected. Use of research methods that require review or approval from an Estonian human ethics or a bioethics research committee, should be also clearly indicated in the application. If the corresponding approvals are available by the application deadline, please attach them to the application.
